INVITATION TO BID

Owensboro Municipal Utilities (OMU) will receive sealed bids until 2:00 P.M. (CST) on May 10, 2022 (prevailing time) at which time bids will be opened and read aloud for the:

OMU BID NO. 22-05-010
PLANT A COLLECTOR LINE RELOCATION PROJECT

OMU will need to relocate several water lines at Plant A as a result of the Plant A Demolition project. The project will require the installation of approximately 820 linear feet of 16" C900 DR18 PVC Pipe and associated fittings and valves. As well as the Tie-in of 4 existing wells. This will be installed in a heavily congested area and therefore the exact routing and installation process may vary depending on the contractor. This will also require the use of specialized equipment to tie-in to the existing reinforced concrete pipe and ductile pipe while remaining in service. This work will start in the spring of 2022 and completed in the summer of 2022.

Prospective bidders may obtain copies of the bid documents and specifications by sending an e-mail with your Company Name and a brief description of your business. Contact Jason Garrett, Buyer, via e-mail: garrettjt@omu.org.

OMU reserves the right to reject any or all bids and to waive irregularities.
