BID #17-08-057

OMU WATER PLANT-A UNDERWATER INSTALLATION OF VALVES IN 3MG CLEARWELL

Owensboro Municipal Utilities (OMU) requests proposals for services to clean flocculent accumulated on the floor of a 3MG clearwell in the general areas where each of two (2) isolation gate valves are to be installed, remove a 6 ft x 6 ft grate protecting the clearwell outlet pipe, and install two 30" surface mount OMU furnished gate valves in the Plant-A 3MG finished POTABLE WATER clearwell.

This project is located at 1531 East 4th Street, Owensboro, KY 42303.

SITE VISIT:

Each bidder will need to evaluate the site to understand the project scope and view the jobsite. Site visits are the bidder's responsibility to arrange between August 9-18, 2017 per contact information in bid document.

No additional money shall be awarded due to the Bidder's failure to review the work site. It is highly recommended any company wishing to submit a bid, attend the Pre-Bid meeting.

Prospective bidders may obtain copies of the bid documents and specifications by sending an e-mail with your Company Name and a brief description of your business. Contact Louise Keach, Purchasing and Inventory Manager, via e-mail: keachel@omu.org.

OMU reserves the right to reject any or all bids and to waive irregularities. No e-mail, fax, or late bids will be accepted.
