INVITATION TO BID

Owensboro Municipal Utilities will receive sealed bids until 2:00 P.M. (CST) on March 4, 2021 (prevailing time) at which time bids will be opened and read aloud for the:

BID No. 21-03-009 SUB I 69kV TRANSMISSION CONSTRUCTION

Owensboro Municipal Utilities, a municipal power distributor, is requesting bids for the labor and equipment to construct a new 69kV transmission route in Owensboro, KY. The route consists of 33 steel poles ranging in heights of 75-85 feet. Project also requires the installation of approximately 36,650 feet of 795 ACSR conductor and 12,100 feet of 3/8" static wire.

Construction shall begin no later than April 5, 2021. Project shall be completed by July 30, 2021. Proposals for this project shall be a firm lump sum price conforming to all descriptions of this specifications document and provided work instructions, drawings, and standards. Change orders for misunderstanding of specifications and/or scope as well as not conforming to OMU standards will not be accepted. Any questions or concerns about this specifications document shall be addressed with OMU prior to the proposal opening.

Prospective bidders may obtain copies of the bid documents and specifications by sending an e-mail with your Company Name and a brief description of your business. Contact Derek Price, Buyer, via e-mail: pricedm@omu.org.

OMU reserves the right to reject any or all bids and to waive irregularities.
