BID No. 22-12-031

OMU CUSTOMER SERVICE CENTER 1ST FLOOR PAINT AND REPAIRS

Owensboro Municipal Utilities (OMU) is requesting proposals for painting and repairs to our Customer Service Center building, specifically the first floor. Normal wear and tear as well as use changes have created the need to make improvements and repairs to the facility, which houses the customer service lobby and billing departments. Leaks inside the building have caused damage to interior walls and the exposed areas of the damage reveal the need to remove the existing wallpaper, perform needed drywall repairs and paint walls accordingly. Full extent of the repairs needed due to the water damage cannot be accessed by OMU alone and will require discussions with contractors that have the adequate experience/expertise.

A pre-bid meeting will be held at OMU Customer Service Center at 2070 Tamarack Road, Owensboro KY 42301 on December 6, 2022 at 10:00am CST. The meeting will take place at the OMU CSC first floor public meeting room and you can enter from the main entrance. WE ENCOURAGE THAT ALL INTERESTED BIDDERS ATTEND THIS MEETING.

Prospective bidders may obtain copies of the bid documents and specifications by sending an e-mail with your Company Name and a brief description of your business. Contact Derek Price, Buyer, via e-mail: pricedm@omu.org.

OMU reserves the right to reject any or all bids and to waive irregularities.
