

INVITATION TO BID

Owensboro Municipal Utilities will receive sealed bids until 2:00 P.M. (CST) on March 7, 2024 (prevailing time) at which time bids will be opened and read aloud for the:

BID No. 24-03-005 GREENBELT BORING PROJECT

Owensboro Municipal Utilities (OMU), a municipal water distributor, is requesting bids for labor and equipment only for installation of conduit size 14" (inch) HDPE Roll Pipe, by boring. Scope includes boring under four (4) sections of water crossings between Old Hartford Rd and East Byers Avenue along the Owensboro Greenbelt. Approximately 790 (feet) total boring length. Starting at Old Hartford Rd; Section 1 is 170' (feet), Section 2 is 170' (feet), Section 3 is 150' (feet) and Section 4 is 300' (feet).

Contractor will be responsible for installing mechanical HDPE to C900 (PVC) joint fittings at each end. Contractor will also be responsible for installing a copper tracer wire. Further details are included in the attached document titled "Specifications for Greenbelt Boring Project" (Specifications Document).

Attachments included as part of this Bid Invitation include:

- 1) Specifications for Greenbelt Boring Project
- 2) Attachment A – Map of construction locations
- 3) WD-15 - OMU water construction specification for typical tracer wire splice.
- 4) WD-06 - OMU water construction specification for location tape and tracer wire detail.

A formal agreement shall be executed by both parties following award with terms and conditions agreeable to OMU.

Prospective bidders may obtain copies of the bid documents and specifications by sending an e-mail with your Company Name and a brief description of your business. Contact Derek Price, Buyer, via e-mail: pricedm@omu.org.

OMU reserves the right to reject any or all bids and to waive irregularities.
