INVITATION TO BID

Owensboro Municipal Utilities will receive sealed bids until 2:00 P.M. (CST) on October 1, 2024 (prevailing time) at which time bids will be opened and read aloud for the:

BID No. 24-10-022

TRANSMISSION AND DISTRIBUTION POLE REPLACEMENTS

Owensboro Municipal Utilities (OMU), a municipal power distributor, is requesting bids for the labor and equipment to change out eighteen (18) transmission-class tangent poles ranging from 75ft to 90ft in length. This is **NOT** a reconductor job.

All existing transmission class poles to be replaced are wood; all new transmission class poles will be steel and provided by OMU along with all other necessary materials. These poles support two 69kV transmission line(s) and up to one 15kV distribution under-build line. There are also numerous telecommunication attachments on several of the poles. All 69kV lines will be de-energized throughout the project; however, **portions, if not all, of the 15kV distribution under-build line(s) will have to remain energized resulting in several of the pole replacements being considered 15kV HOT work.**

In addition, there are fourteen (14) distribution poles included as part of this bid's scope of work. These represent intermediate poles located along the two routes of transmission poles to be replaced.

All existing distribution class poles to be replaced are wood and will remain wood once replaced.

Attachments included as part of this Bid Invitation and are individually attached include:

- 1) Specifications for Transmission and Distribution Poles Replacements
(Specifications Document)
- 2) Drawings and Work Instructions - 13 documents total

A formal agreement shall be executed by both parties following award with terms and conditions agreeable to both parties prior to commencement of work.

Prospective bidders may obtain copies of the bid documents and specifications by sending an e-mail with your Company Name and a brief description of your business. Contact Derek Price, Buyer, via e-mail: pricedm@omu.org.

OMU reserves the right to reject any or all bids and to waive irregularities.
