

Owensboro Municipal Utilities will receive sealed bids until 2:00 P.M. (CST) on September 19, 2025 for:

**RFP 25-09-028**

### **Transmission & Distribution Pole Changeout and Reconductor**

Owensboro Municipal Utilities, a municipal power distributor, is requesting bids for the labor and equipment required to complete a transmission and distribution project spanning a route totaling 5,700 feet in length. This project will consist of transmission and distribution pole change outs, route relocation and transmission reconductor. **The transmission reconductor of the 69kV circuit will be from 397 ACSR to 795 ACSR along the affected pole route.**

All existing transmission class poles to be replaced are wood; all new transmission class poles will be steel and provided by OMU along with all other necessary materials. These poles support one 69kV transmission line and up to one 15kV distribution under-build line. There are also numerous telecommunication attachments on several of the poles. All 69kV lines will be de-energized throughout the project; however, **portions, if not all, of the 15kV distribution under-build line(s) will have to remain energized resulting in several of the pole replacements being considered 15kV HOT work.**

A **MANDATORY** pre-bid meeting will occur at the OMU Transmission and Distribution (T&D) Building located at 2070 Tamarack Road, Owensboro, KY 42301 on **Wednesday, September 3, 2025** at 1:00 PM Central Standard Time (CST). **Any interested Offerors MUST attend this pre-bid meeting to be able to submit a proposal.**

Following award and before commencement of work, a formal agreement shall be executed by OMU and the Contractor whose proposal is selected for award, with terms and conditions agreeable to OMU (the "Contract" or "resulting Contract").

Prospective bidders may obtain copies of the bid documents and specifications by sending an e-mail with your Company Name and a brief description of your business. Contact Derek Price, Buyer, via e-mail: [pricedm@omu.org](mailto:pricedm@omu.org).

OMU reserves the right to reject any or all bids and to waive irregularities.
