Recurring Credit Card Payment Form

I authorize Owensboro Municipal Utilities (OMU) to charge to my credit/debit card on a monthly basis the full amount of my Combined Billing. This authorization will remain in effect until Owensboro Municipal Utilities has received written notification from me and has had a reasonable opportunity to act upon it.

I further agree that if any such payment is dishonored, whether with or without cause, and whether intentionally or inadvertently, OMU shall be under no liability whatsoever, even though such dishonor may result in the disconnection of services.

The Recurring Credit Card Payment Plan allows the full amount of your Combined Billing to be charged to your credit card on the due date, or the date you specify. You will receive a monthly statement as usual with a notation about the automatic payment.

Designated Due Date (if a specific date is necessary please write in the day of the month requested): _____

*****Please Note: by choosing a designated due date, it is possible to have two bills become due on the same date depending on the billing cycle. Also, all of your accounts must have the same designated due date if one is chosen.***** OMU will contact you if this date cannot be accommodated.
